### Generation II - Paradigm

Double hinged design offering excellent support for mild to severe ligament instabilities. Available in custom and non-custom design and suitable for pre and post reconstructive surgery. PCL version available.  
 \$795.00 (non-custom) & \$1065.00 (custom)

### The Strassburg Sock

A simple, cost effective, comfortable treatment for heel pain associated with Plantar Fasciitis. Designed to keep tension in the plantar fascia so it heals in a stretched position at night. The Strassburg Sock consists of a tubular knit material that fits snugly over the calf with two attached adjustable straps to maintain the foot in a neutral to slightly stretched position.  
 \$65.00

### The Hand Master Plus

This unique hand exerciser is used to balance and strengthen the muscles of the hand, wrist and forearm through a full range of motion. Available in 3 strengths and suitable for extension and flexion exercises.  
 \$22.00
